

**Crown® Liquid Deglosser** - CR.LD - February 20, 2024**Description**

CROWN® Liquid Deglosser cleans and preps surfaces by deglossing the coating and allowing finishes to bond securely with the old surface. Excellent cleaner for removing hard to clean surfaces.

Prominent Features

- Cleans & deglosses painted surfaces without sanding, allowing new finishes to bond securely to old surface.
- Excellent cleaner that removes heel marks, smudges, pencil marks, wax, grease & oil.

Uses

- Deglosser for painted surfaces.
- Improving paint adhesion.
- Cleaner for surfaces with hard to remove stains and marks.

Limitations

Not for use on freshly painted surfaces.

Application

To determine the quantity of CROWN LIQUID DEGLOSSER and wiping needed to achieve proper results, it is recommended that you test an area that will be hidden from view. Use a clean cloth with this product and change the wiping surface of the cloth frequently. Do not apply over fresh paints. Allow 30 minutes before repainting but no more than 12 hours.

Disposal

Contains organic solvents which may cause adverse effects to the environment if disposed of improperly. Place empty containers in normal refuse for disposal. Contact your local sanitation department or household hazardous waste coordinator for information concerning possible reuse or disposal of unused solvent-containing products.

Storage

Store in dry, cool, well-ventilated areas away from strong oxidizing agents, strong acids, nitric acid, sulfuric acid, strong reducing agents, strong bases, amines, halogens and halogenated compounds, aluminum, acid anhydrides, perchlorates, caustics, and aliphatic amines, food, and drink. Keep away from heat and ignition sources. Transfer only to approved containers having correct labeling. Keep containers tightly closed when not in use. Protect containers against physical damage. Containers that have been opened must be carefully resealed and kept upright to prevent leakage. Containers are hazardous when empty as they contain product residue. Do not cut, drill, weld, braze, solder grind or perform similar operations on or near empty containers. Use appropriate containment to avoid environmental contamination. Ventilate closed areas. Keep locked up and out of reach of children.

Packaging

1 Quart – 6 per case - 'F' style metal container
1 Gallon – 4 per case - 'F' style metal container
