

**Crown® Kerosene** - CR.KE - April 24, 2024**Description**

CROWN® Kerosene is a fuel grade 1-K Kerosene ideally suited for use in kerosene heaters, lanterns and stoves. Product is available in metal or plastic containers. Follow manufacturer's instructions for filling and lighting of device before using this product.

Prominent Features

- Clean burning fuel.
- Fuel for all kerosene appliances including heaters, lanterns and stoves.
- 1-K grade fuel.

Uses

Fuel for all kerosene appliances including heaters, lanterns and stoves.

Application

Carefully read all cautions and instructions before use. Protect hands with solvent-resistant gloves, and eyes with safety glasses. Open can slowly to relieve pressure. This fuel can cause serious burns if used improperly.

Disposal

The generation of waste should be avoided or minimized whenever possible. Empty containers or liners may retain some product residues. This material and its container must be disposed of in a safe way. Dispose of surplus and non-recyclable products via a licensed waste disposal contractor. Disposal of this product, solutions and any by-products should at all times comply with the requirements of environmental protection and waste disposal legislation and any regional local authority requirements. Avoid dispersal of spilt material and runoff and contact with soil, waterways, drains and sewers.

Storage

Store in dry, cool, well-ventilated areas away from strong oxidizing agents, food, and drink. Keep away from heat and ignition sources. Transfer only to approved containers having correct labeling. Keep containers tightly closed when not in use. Protect containers against physical damage. Containers that have been opened must be carefully resealed and kept upright to prevent leakage. Containers are hazardous when empty as they contain product residue. Do not cut, drill, weld, braze, solder grind or perform similar operations on or near empty containers. Use appropriate containment to avoid environmental contamination. Ventilate closed areas. Keep out of reach of children.

Packaging

1 Quart – 6 per case – Center neck plastic container
1 Gallon – 4 per case – 'F' style plastic container
2.5 Gallon – 2 per case – 'F' style plastic container
5 Gallon – Single units – Plastic pail container
55 Gallon – Single units – Metal drum container
