

PRODUCT DATA SHEET

Crown® Lacquer Thinner - CL.LVLT - February 20, 2024

Description	CROWN® Lacquer Thinner is a thinner for lacquers and cleaner for brushes, rollers & spray equipment. Suitable as a parts cleaner & degreaser.
Prominent Features	High solvency thinner for lacquers & stains
	Cleans painting equipment
Uses	Thinner for lacquers.
	Cleaner and degreaser for spray equipment.
Limitations	Do not use to thin automotive lacquers.
Application	Add thinner to lacquer slowly with good agitation until desired viscosity is achieved. For best results, do not reduce more than 10%. Refer to coating manufacturer's instructions before thinning. Note: this product has a faster evaporation rate than standard Lacquer Thinner. Before use, always test in a small area to ensure coating and surface compatibility with product. If a slower evaporation rate is desired, try Crown VOC Compliant Pro Thinner.
Disposal	Contains organic solvents which may cause adverse effects to the environment if disposed of improperly. Place empty containers in normal refuse for disposal. Contact your local sanitation department or household hazardous waste coordinator for information concerning possible reuse or disposal of unused solvent-containing products.
Storage	Store in dry, cool, well-ventilated areas away from strong oxidizing agents, strong acids, perchlorates, aliphatic amines, chromyl chloride, hexachloromelamine, chromic anhydride, halogens, potassium tert-butoxide, rubber, and various plastics, food, and drink. Keep away from heat and ignition sources. Transfer only to approved containers having correct labeling. Keep containers tightly closed when not in use. Protect containers against physical damage. Containers that have been opened must be carefully resealed and kept upright to prevent leakage. Containers are hazardous when empty as they contain product residue. Do not cut, drill, weld, braze, solder grind or perform similar operations on or near empty containers. Use appropriate containment to avoid environmental contamination. Ventilate closed areas. Keep out of reach of children.
Packaging	1 Quart – 6 per case - 'F' style metal container 1 Gallon – 4 per case - 'F' style metal container 5 Gallon – Single units - metal pail container 55 Gallon – Single units - metal drum container
