

**Crown® Pro Flush** - CL.LVPRF - January 19, 2024**Description**

Crown® VOC Compliant Pro Flush is an excellent cleaner and degreaser for spray guns and spray equipment for use with oil-based products. Crown VOC Compliant Pro Flush is safe to use on seals and hoses and cleans like Mineral Spirits. It is very low odor. It will also remove wet solvent-based coatings from brushes and rollers.

Prominent Features

- Cleans spray guns and spray gun parts
- Spray equipment cleaner for oil-based products
- Removes wet solvent-based coatings from brushes and rollers
- Low odor for ease of use

Uses

- Cleaner for spray equipment.
- Cleaner for brushes and rollers.

Limitations

Do not soak spray gun parts in Pro Flush for extended periods of time.

Application

Please refer to your Spray Equipment's user manual for cleaning directions. Do not soak spray gun parts in Pro Flush for extended periods of time. For cleaning surfaces, add Crown VOC Compliant Pro Flush to a cotton cloth and wipe.

Disposal

Contains organic solvents which may cause adverse effects to the environment if disposed of improperly. Place empty containers in normal refuse for disposal. Contact your local sanitation department or household hazardous waste coordinator for information concerning possible reuse or disposal of unused solvent-containing products.

Storage

Store in dry, cool, well-ventilated areas away from strong oxidizing agents, strong reducing agents strong acids, alkalis, acid anhydrides, food, and drink. Keep away from heat and ignition sources. Transfer only to approved containers having correct labeling. Keep containers tightly closed when not in use. Protect containers against physical damage. Containers that have been opened must be carefully resealed and kept upright to prevent leakage. Containers are hazardous when empty as they contain product residue. Do not cut, drill, weld, braze, solder grind or perform similar operations on or near empty containers. Use appropriate containment to avoid environmental contamination. Ventilate closed areas. Do not take internally. Keep out of reach of children.

Packaging

1 Gallon – 4 per case - 'F' style metal container
5 Gallon – Single units - metal pail container
