Crown Methyl Ethyl Ketone (MEK)

DANGER

Highly flammable liquid and vapor. Causes serious eye irritation. May cause drowsiness or dizziness.

PRECAUTIONS:

Keep away from heat, open flames and hot surfaces. No smoking. Keep container tightly closed. Ground and bond container and receiving equipment. Use explosion proof electrical, ventilating and lighting equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Avoid breathing mist or vapor. Wash hands and other exposed skin areas thoroughly after handling. Use only outdoors or in a well-ventilated area. Wear protective gloves, protective clothing and eye protection. Store locked up in a well-ventilated place. Keep container tightly closed. Keep cool. Dispose of contents and containers in accordance with national and local regulations.

FIRST AID:

IF ON SKIN (or hair): Remove immediately all contaminated clothing. Rinse skin with water or shower. IF INHALED: Remove person to fresh air and keep at rest in a comfortable position for breathing. Call a POISON CENTER or doctor if you feel unwell. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. Take off contaminated clothing and wash before reuse. In case of fire: Use water fog, foam, dry chemical or carbon dioxide for extinction.
