## Crown® TuffStrip® Heavy-Duty Stripper - Semi-Paste

*Methylene Chloride Free & NMP Free*

Contains Petroleum Distillates, Dimethylformamide and d-Limonene

Keep away from heat and flames. Do not smoke while using. Do not swallow. Avoid breathing vapors. Avoid contact with eyes, skin and clothing. Use only with adequate ventilation. If used indoors, open windows and doors and maintain cross-ventilation. Do not use in areas where vapors can accumulate such as in basements, bathrooms, or other small enclosed areas. Wash thoroughly after handling. Keep container closed when not in use. Contains a chemical that may cause adverse effects on reproduction.

## KEEP OUT OF REACH OF CHILDREN

**FIRST AID: Eye Contact:** Eye Contact: Immediately flush eyes with water for at least 15 minutes. Get medical attention if irritation persists. **Skin Contact:** Wash thoroughly with soap and water. Get medical attention if irritation or other symptoms develop.

**Inhalation:** Move to fresh air. Get medical attention if irritation or other symptoms develop and persist. **Ingestion:** Do not induce vomiting. Never give anything by mouth to an unconscious or drowsy person. Immediately call a physician or poison center.

**PRECAUTIONS:** If possible, use outdoors in an open area. If increased odor is noticed, or you experience dizziness, eye watering, headaches, nausea or loss of coordination, cover product and leave area immediately. Do not return until adequate ventilation has been established. A dust mask does not provide protection against vapors. For an OSHA controlled workplace and other regular users, use only with adequate ventilation under engineered air control systems. Do not cut, puncture or weld on or near this container. When using product, apply to one small area at a time not to exceed three square feet as the danger for fire and health effects increases dramatically when used over large areas. Wear chemical-resistant protective goggles, apron and gloves when using this product. Refer to Safety Data Sheet (SDS) at [www.crownbrand.com](http://www.crownbrand.com) for additional cautions before using, transporting or storing this product.

LATEX	STRIPS 5 LAYERS IN 15 MINUTES
OIL/ALKYD	STRIPS 5 LAYERS IN 60 MINUTES

## SHAKE WELL

**DIRECTIONS:** **1)** Protect surrounding areas with a heavy plastic drop cloth. **2)** Begin by working on a small area to familiarize yourself with product and results. **3)** Pour paint stripper into a metal container. Brush a thick coat onto surface until fully covered. **4)** Allow product to penetrate until finish softens. Time may vary. Multiple coats of finish may require overnight application. **5)** Test surface with a plastic paint scraper to ensure finish has lifted and is ready for removal. **6)** Remove paint with scraper. For multiple layers where residue remains, repeat steps 1-6. **7)** Once coating is removed, use a clean cloth dampened with **Crown Mineral Spirits** to clean surface. **8)** Ensure surface is completely clean and dry before refinishing.

**Crown® TuffStrip® Methylene Chloride & NMP Free Heavy-Duty Stripper** is a fast-acting, multiple layer paint stripper that starts stripping latex paint in 5 minutes. Other coatings may take longer to strip. **Crown® TuffStrip® Methylene Chloride & NMP Free Heavy-Duty Stripper** is manufactured with a safer chemistry which replaces Methylene Chloride and NMP. The gel formulation clings to vertical surfaces. Covers up to 100 square feet.

**DISPOSAL:** All waste materials should be disposed of in accordance with local, state and federal regulations. **WARRANTY:** Satisfaction guaranteed. Supplier's warranty is limited to replacement of this Product if the Product is found to be defective. **PROTECT AGAINST FREEZING. KEEP CONTAINERS CLOSED AFTER EACH USE. DO NOT TRANSFER CONTENTS TO UNLABELED CONTAINERS. DO NOT STORE IN DIRECT SUNLIGHT. DO NOT REUSE CONTAINER.**

**WARNING:** Cancer and Reproductive Harm - [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).
